

Supervisor's statement regarding an application for a PhD Completion Scholarship

1. Short questionnaire concerning the applicant and her PhD project

Applicant's surname, first name
Envisaged date of completion of PhD
When and how did you last review the work?

Final statement concerning your endorsement of the application (please check as appropriate): Strongly endorse Endorse Endorse with a few reservations Do not endorse

2. Qualified statement about the PhD project

The qualified statement should be no more than three pages long and should include the following aspects:

- How long have you known the applicant and how did you get to know her?
- How does she stand out from a professional and personal perspective?
- How do you rate her potential to complete the PhD project successfully within the stipulated period?
- Additional information that may have an important impact on whether or not the scholarship is awarded (e.g. an explanation that the PhD cannot be completed using funds provided by the Chair/Institute/School, e.g. by employing the candidate as a research assistant, or that this is not desired by the applicant)

Please send this short questionnaire and your qualified statement directly to the:
Equal Opportunity Committee, Equal Opportunity Office, Neuer Graben 7/9, 49074 Osnabrück
